

Specific Qualifications of the Program
Master of Science Program in Biotechnology
Academic Year 2026

| | | |
|------------------------------|-------------------------------------|-----------|
| Faculty | Science | |
| Number of Admissions: | Plan A Type A (1) (Regular Program) | 2 persons |
| | Plan A Type A (2) (Regular Program) | 2 persons |
| | Plan B (Regular Program) | 2 persons |

Specific Qualifications:

Plan A Type A (1)

- 1) Applicants must have completed a Bachelor's degree or its equivalent in Biotechnology or other related fields from an educational institution accredited by the Office of the Civil Service Commission (OCSC), with a cumulative grade point average (GPAX) of not less than 3.25 throughout the program; or
- 2) Have graduated according to item 1, but with a cumulative grade point average (GPAX) of not less than 2.75 throughout the program, and must have published research work or have at least one year of practical experience in biotechnology;
- 3) Must possess the qualifications as stipulated in Maejo University's regulations regarding graduate studies;
- 4) Other cases shall be at the discretion of the Student Selection Committee.

Plan A Type A (2)

- 1) Applicants must have completed a Bachelor's degree or its equivalent in Biotechnology or other related fields from an educational institution accredited by the Office of the Civil Service Commission (OCSC), with a cumulative grade point average (GPAX) of not less than 2.50 throughout the program; or
- 2) Graduates according to item 1, but with a cumulative grade point average (GPAX) of less than 2.50 throughout the program, must have at least one year of practical experience in biotechnology;
- 3) Must possess the qualifications as specified in Maejo University's regulations regarding graduate studies;
- 4) Other cases shall be at the discretion of the Student Selection Committee.

Plan B

- 1) Applicants must have completed a Bachelor's degree or its equivalent in Biotechnology or other related fields from an educational institution accredited by the Office of the Civil Service Commission (OCSC), with a cumulative grade point average (GPAX) of not less than 2.50 throughout the program; or
- 2) Have at least one year of work experience in a biotechnology-related establishment; or have already completed a Master's degree in another program;
- 3) Must possess the qualifications as specified in Maejo University's regulations regarding graduate studies;
- 4) Other cases shall be at the discretion of the Student Selection Committee.

Required Application Documents:

- A digital file of a straight-face photograph, size 1 inch (300 x 400 pixels), without a hat or dark glasses, taken within the last 6 months; graduation gown photos are not permitted (to be uploaded to the application system).
- A copy of the passport (only the first page with personal information).
- A copy of the undergraduate transcript.
- A copy of the document showing name/surname change, or marriage certificate (in case the name/surname does not match other application documents).
- A certificate of student status for those in the final semester of their undergraduate program.
