

Specific Qualifications of the Program
Master of Economics Program in Applied Economics
Academic Year 2026

Faculty Economics

Number of Admissions: Plan A Type A (1) (Regular Program) Lum-Sum Payment 2 persons
Plan A Type A (2) (Regular Program) Lum-Sum Payment 5 persons

Specific Qualifications:

Plan A Type A (1)

1) In accordance with Maejo University Regulations on Graduate Studies and the University Announcements regarding admissions for each academic year.

2) Applicants must hold a Master's degree or its equivalent in Economics, Agricultural Sciences, Political Science, Business Administration, Management, Social Sciences, Science, or related fields from an institution of higher education recognized by the Office of the Higher Education Commission (OHEC) or the Office of the Civil Service Commission (OCSC), with a cumulative grade point average (GPA) of not less than 2.50. In cases where the field of study is not as specified above, eligibility shall be at the discretion of the program committee.

3) In the case of applicants with a Bachelor's degree and a cumulative GPA lower than 2.50 or equivalent, the qualifications must be as specified by the program committee and the Graduate School.

4) Applicants must have work experience in research or related fields.

5) International applicants must obtain approval from the program instructor.

Plan A Type A (2)

1) In accordance with the Maejo University Regulations on Graduate Studies and the University's announcements regarding admissions for each academic year.

2) Applicants must hold a master's degree or its equivalent in Economics, Agricultural Sciences, Political Science, Business Administration, Management, Social Sciences, Sciences, or a related field from an institution accredited by the Office of the Higher Education Commission (OHEC) or the Office of the Civil Service Commission (OCSC), with a cumulative grade point average (GPA) of not less than 2.50. In cases where the applicant's degree is not in the specified fields, eligibility shall be at the discretion of the program chair.

3) In the case of applicants with a bachelor's degree and a cumulative GPA lower than 2.50 or its equivalent, additional qualifications as specified by the program chair and the Graduate School are required.

4) International applicants must be approved by the program advisor.

Required Application Documents:

- A digital file of a straight-face photograph, size 1 inch (300 x 400 pixels), without a hat or dark glasses, taken within the last 6 months; graduation gown photos are not permitted (to be uploaded to the application system).
- A copy of the passport (only the first page with personal information).
- A copy of the undergraduate transcript.
- A copy of the transcript of records at the Higher Vocational Certificate (High Vocational Diploma) level, or an equivalent Associate Degree.
- A copy of the document showing name/surname change, or marriage certificate (in case the name/surname does not match other application documents).
- A certificate of student status for those in the final semester of their undergraduate program.
- Principle-based research proposal for thesis preparation (not exceeding 10 A4 pages) for applicants of Plan A Type A (1)

Department of Applied Economics, Faculty of Economics,
Maejo University

1. Research Title

1.1 (Thai).....

.....

1.2 (English).....

.....

2. Proponents of principled documents

2.1 Name.....

2.2 Affiliation/Convenient Contact Address.....

2.3 Contact Number/Email.....

3. Background and significance of the research problem

.....

.....

.....

.....

.....

4. Research Problems/Questions

.....

.....

.....

.....

.....

5. Objectives of the research

.....

.....

.....

.....

6. Research hypothesis

.....

.....

.....

.....

7. Expected Benefits

.....

.....

.....

.....

8. Review of relevant papers and research

.....

.....

.....

.....

.....

9. Research Conceptual Framework

.....

.....

.....

.....

.....

.....

.....

10. How to conduct research

10.1 Population and sample

.....

.....

.....

.....

10.2 Research tools

.....

.....

.....

.....

10.3 Data Collection

.....

.....

.....

.....

10.4 Data Analysis

.....

.....

.....

.....
